Subject: Decision to Cancel the September 11, 2025 Regular Board Meeting

Recommendation

Cancel the regular meeting of September 11, 2025, and move business items to the regular meeting of October 9, 2025. Please note that, should an item of business come up that cannot wait until October 9th, the Board may call a special meeting to address that item.

Background

The District has monthly meetings to conduct business for KPPCSD. In September there are no pending items for the September meeting and the Board Secretary, Lynelle, and the IGM, David Aranda will both be out of the country during this time in September.
