## THE COMMUNITY

Kensington is an unincorporated community located in the Berkeley Hills, part of the San Francisco Bay Area, in Contra Costa County, California. The community occupies approximately one square mile and has a population of approximately 5,500 residents, including many distinguished University of California, Berkeley professors, Nobel Prize Laureates, and other notable San Francisco Bay Area professionals. Land use is almost exclusively residential, with two small, local-serving commercial areas. Kensington is among the safest places to live in California, with one of the nation's top public elementary schools.

## THE ORGANIZATION

The Kensington Police Protection & Community Services District (KPPCSD) is a Community Services District that provides police protection, parks and recreation, and waste management services to the unincorporated area of Kensington. Fire service is provided by the Kensington Fire Protection District, and most other traditional municipal services in Kensington are provided by Contra Costa County. Kensington residents are actively involved in the governance of their community through this special district.

Each of the four major functional areas of KPPCSD are:

- » Kensington Police Officers perform a variety of services which includes patrol response to crimes in-progress, traffic enforcement, first aid and CPR, investigations, warrant and subpoena service, and other law enforcement duties.
- » KPPCSD maintains a recently renovated Community Center, Kensington Park with amenities, including the tot lot, swings, picnic areas, basketball court, and tennis courts.
- » KPPCSD partners with the Kensington Community Council (KCC) to offer a variety of educational and recreational classes and programs such as the Kensington After School Enrichment Program ("KASEP"), Summer Day Camps, youth and teen events, and adult physical fitness classes. KCC is a non-profit that also helps raise funds and provides volunteers to help maintain the Community Center and Kensington Park.
- » The KPPCSD provides both residential and commercial collection services for recyclables, trash, and green waste (no food) through a franchise agreement with Bay View Refuse and Recycling.
- » The Administration section oversees business and finance functions of the District.

The KPPCSD has an operational budget of \$3.5 million, approximately 75% of which funds the police department. There are six staff members with an additional 10.5 in the Police Department. It contracts with a law firm for a General Counsel and other legal support.

## GOVERNANCE

KPPCSD is governed by five unpaid board members elected into office by the community to serve staggered four-year terms. The Board elects one of its members to serve as Board President and one to serve as Board Vice President for each calendar year. The President of the Board assigns each of the Board members to serve as Chairpersons for the various committees serving the Board.

Revenue to support KPPCSD is mostly property related, including a share of the base (1%) property taxes, two voter-approved property tax overrides, and a landscape maintenance district that partially supports park maintenance.
