## PERFORMANCE APPRAISAL BOARD FINAL DOCUMENT

#### Kensington Police Protection and Community Services District Contra Costa County, California

**Annual Goal Setting and Performance Appraisal Document** 

**General Manager / Chief of Police** 

#### **Board Final Document**

July 1, 20\_\_ through June 30, 20\_\_

#### PERFORMANCE APPRAISAL SUMMARY

While the performance appraisal is meant to critique the GM/COP performance and what has been accomplished during the past review period, it is also a communications tool and a learning process whereby the District Board Members and the GM/COP can learn more about each other's expectations and where strengths and weaknesses exist in the relationship.

For this assessment it is important to "recognize and focus" on the GM/COP responsibilities of providing executive leadership as the Chief of Police, providing administrative direction and guidance for issues of public safety, and the role of General Manager for District operations.

This document is a tool to be used in two phases: it is a planning tool as well as an assessment tool. The GM/COP should be an integral part of both the planning and assessment phases. He/She must agree with the performance objectives, and make certain that the Board members understand what they must do to support the GM/COP in order to achieve the goals, to include an ongoing assessment and goal prioritization resulting from emerging issues facing the District. The GM/COP must also ensure that the Board has the information to fairly conduct an assessment, and provide the Board with his/her own evaluation and feedback on performance.

#### Phase 1 Annual Performance Goals: (Sections I and III)

By the beginning of the "Fiscal Year", the Board and GM/COP must reach a clear understanding of expectations, goals and priorities for the GM/COP and/or Board. This is accomplished through review and update of this document. A list of specific and measurable tasks that the GM/COP has been charged with accomplishing for the previous fiscal year, (section I) and the establishment of goals for the next fiscal year, (section III). In general, these goals will change from year. They can be a combination of personal, professional, and District goals reflective of District priorities that are tied specifically to the budget planning process.

#### Phase II Assessment / Core Competencies, (section II)

Core Competencies Job Dimension Elements, "2.1" through "2.9", are ongoing skills, capabilities, and responsibilities that are essential for the success of the GM/COP and are outlined in the GM/COP job description. In general, these elements should not change from year to year.

For this phase each question should receive a numerical score from 1 to 5", with a "1" being weak and a "5" being strong as defined below. A comment section is included after each question and category.

- Unsatisfactory Work performance is inadequate and definitely inferior to the standards of performance required for the job. Performance at this level cannot be allowed to continue.
- (2) <u>Improvement Needed</u> Work performance does not consistently meet the standards of the position. Serious effort is needed to improve performance.
- (3) <u>Meets Job Standard</u> Work performance consistently meets the standards of the position.
- (4) <u>Exceeds Job Standard</u> Work performance is frequently or consistently above the level of satisfactory, but has not achieved an overall level of outstanding performance.
- (5) <u>Outstanding</u> Work performance is consistently excellent when compared to the standards of the job.

#### **Inclusive Rating Process:**

All Board members and the GM/COP will complete this document and provide comments and suggestions to the Board Review Committee. The Committee will then facilitate an executive session of the Board and upon feedback from the Board will prepare a final assessment for review with the GM/COP. Following review with the GM/COP the Board will deliberate in "open session" potential adjustment in GM/COP compensation. In the event the entire Board and/or GM/COP wish to discuss the evaluation in closed session this should be acknowledged and take place in a timely fashion.

#### **SECTION 1**

#### PREVIOUS ANNUAL PERFORMANCE GOALS

The assessment here is to simply display the goals from the previous Performance Appraisal and answer the question, whether or not the task has been completed as identified. The GM/COP should complete this Summary Response.

STATUS OF COMMITTEE ACTIVITIE A/O MAY 1, 2011

GREG HARMAN GENERAL MANAGER

KPPCSD Ad hoc Committee May April 28th Status Report

Written by R. W. Lloyd - Committee Chairman 05/02/2011 (Members - Gloria Morrison, Chris Schnelling, Bryce Nesbitt, Nicki Kaiser, Ray Barraza)

The KPPCSD Ad-hoc Path Committee was formed in February of 2011 to assess the reasonability and feasibility of the Service District assuming ownership of 15 pathways in Kensington. These paths are currently not owned parcels of land recorded in the Contra Costa County Inventory. Using resolution 2011-04 as their chartering document the Ad hoc Committee is investigating the legal and financial considerations of ownership as part of the Kensington Parks & Recreation Department of the Service District. They will make a recommendation for action to the KPPCSD Board sometime in the near future.

To date the committee has met three times and begun familiarity surveys of each of the paths, acquired historical record information on ownership, governance, liabilities, and financial considerations. The committee has also established communications linkages with key County Personnel (including Supervisor Gioia and his staff). Finally the committee has been developing a list of potential legal issue questions from which they are drafting a letter to the service district counsel for interpretation and response. I anticipate the committee will be in a position to make a recommendation to the KPPCSD of their findings in July of 2011.

In a related issue, Director Kosel notified the committee on May 1, 2011, that she has withdrawn from the committee membership. The Committee was established as part of the adoption of Resolution 2011-04 by the CSD Board at the February 2011 meeting. At that time Director's Lloyd and Kosel volunteered to serve on the committee with five Kensington resident volunteers and were confirmed.

The committee therefore seeks the Board's approval to fill the vacancy created by Director Kosel's departure with either another Board Director or Kensington Resident at our earliest opportunity.

Please post in accordance with provisions of the Brown Act as part of the meeting regular agenda on the May 2011 board calendar.

New Business Items #1 Resolution 2011-010 Ordering Park Assessment

Every year, the Board needs to approve the resolutions prepared by NBS that initiate the process of collecting the park tax assessment pursuant to the Landscaping and Lighting Act of 1972 that established the Kensington Park Assessment District.

The first step of that process was the approval of Resolution 2011-07; the approval of the Annual Report for the Kensington Park Assessment District for Fiscal Year 2011/2012.

The total assessment to each dwelling unit is \$14.09, with a total of 2,182 parcels to be assessed.

The second step in the process was the approval of Resolution 2011-06; the initiating of proceedings for the levy and collection of the assessments for the Kensington Park Assessment District for Fiscal Year 2010/2011.

The third step was the approval of Resolution 2011-08; the Board's declaring its intention to levy and collect assessments for the Kensington Park Assessment District for Fiscal Year 2010/2011 and setting the public hearing for Thursday, May 12<sup>th</sup>, at 7:00 PM. Resolution 2011-08 was passed at the April 14<sup>th</sup> KPPCSD Board meeting and was published in the May 1<sup>st</sup> issue of the Outlook. This met the requirement that the May 12<sup>th</sup> meeting be noticed at least 10 days prior the public meeting date.

The final step in the process is the holding of the public meeting on May 12<sup>th</sup> and the approval of Resolution 2011-010.

New Business Item #2 KPPCSD 2011-2012 Operating Budget Draft

On April 5<sup>th</sup>, the Finance Committee met to discuss the first draft of the KPPCSD 2011-2012 Operating Budget. The initial draft of the budget had an estimated shortfall of \$161,000. Based on those initial discussions, cuts were made to expenses of \$61,000, the tenth officer position was only filled for <sup>3</sup>/<sub>4</sub> of the fiscal year, and a recommendation was going to be made to the Board to increase the Measure G Tax from the current \$179 to \$200 a parcel.

On April 26<sup>th</sup>, the Finance Committee met again to discuss the revised budget. Notes from the second meeting were prepared by Vice Chair Linda Lipscomb and are as follows:

"The KPPCSD Finance Committee met at the Public Safety Building on April 26, 2011. The meeting was called to order at 6:09 pm. Present were Committee members Pat McLaughlin, Paul Haxo, Elena Caruthers, Gloria Morrison, and Linda Lipscomb. Charles Toombs was absent, as he had notified previously. Staff present were General Manager and Chief of Police Greg Harman and accountant Debbie Russell. Public attending was Lynn Wolter. Linda Lipscomb chaired the meeting.

As there were no consent items, the Committee moved to New Business. With respect to item 1, the Committee reviewed and discussed the revision to the Kensington Police Protection and Community Services District Preliminary Operating Budget Fiscal Year 2011/2012 that had been prepared by GM - Chief Harman. As a result of the discussion, the Committee recommended the Preliminary Budget, with the proviso that the tenth police officer position be funded as a 3/4ths position, by delaying hiring for that position, and that the budget should reflect the number of sworn personnel as 9 and 3/4. The GM noted the difficulties in hiring for the position on a going forward basis, with the inherent uncertainty of funding after 9 months. The Committee noted that in the future, the tenth position may be funded from a variety of sources, including restoration of the COPS grant, increase in revenues from taxes, and changes in staffing levels due

to attrition. The GM stated that the budget includes step increases in the ordinary course. It was further agreed that three levels of funding for the medical contribution on line 521 be footnoted to reflect separate figures for active employee funding, retiree funding and OPEB funding.

In connection with going forward on hiring a 10th officer (on a delayed basis as proposed), the Chief raised the issue of possibly having to lay off such person if funds could not be found after the initial 9 months of employment which is proposed under the draft budget for 2011-2012. The Chief and Debbie Russell informed the Committee that the District is "self insured" for unemployment benefits and has to pay such benefits in the event a District employee is laid off. This will be a significant consideration in going forward and hiring for the position.

After discussion, the GM withdrew item 2 indicating that he will present it directly to the KPPCSD Board, rather than the Finance Committee.

The meeting adjourned at 7:45pm. "

The Finance Committee voted to move forward with the Preliminary Operating Budget Fiscal Year 2011-2012 for your consideration. This budget has an estimated shortfall of \$23,790.

It would be my recommendation to the Board not to hire (fund) the tenth officer position until future funding (COPS Grant) for the position is determined. As part of this recommendation, I would also recommend that the Board not move forward to increase Measure G this fiscal year. It is estimated that this recommendation would result in an overage of \$54,000 to the Preliminary 2011-2012 Operating Budget.

# **DISTRICT - NEW BUSINESS**

 General Manager Greg Harman will present to the Board for approval the renewal of the Consolidated Communications Agreement and the renewal of the Consortium Records Management Agreement between KPPCSD and the City of Richmond. Board Action.

# Memorandum

### **Kensington Police Department**

To:

**KPPCSD** Board of Directors

APPROVED

NO

From:

Gregory E. Harman, General Manager

FORWARDED TO:

Date:

Friday, May 06, 2011

Subject:

New Business Item #3 Richmond Communications Contract

In 1993, the District entered into a consortium agreement with the Cities of Richmond, San Pablo, and El Cerrito for communications and records management services. This agreement was renewed in 1996 and was due to expire in 1999. The agreement has not been renewed since 1999; however, all parties in the consortium have continued to participate under the terms of the latest agreement.

The new three year agreement, which would begin on July 1, 2011 and terminate on June 30, 2014, is attached to this memo for your review.

The only alternative to the District at this time would to contract for services with Pinole/ Hercules or the Contra Costa Sheriff's Office, both options would be more expensive and have additional switch over costs associated with the change. However, more importantly, we would lose the officer safety benefit of sharing the same radio frequency and dispatchers with the El Cerrito Police Department.

The new agreements have been reviewed by our legal counsel, David Gehrig of Hanson/ Bridgett.

I would recommend the Board move to approve the agreements with the City of Richmond and continue in the consortium for communications and records management services.

### CONSOLIDATED COMMUNICATIONS AGREEMENT

SUBJECT:

CSDA BOARD OF DIRECTORS CALL FOR NOMINATIONS

**SEAT C** 

The Elections and Bylaws Committee is looking for Independent Special District Board Members or their General Managers who are interested in leading the direction of the California Special Districts Association for the 2011-2014 term.

The leadership of CSDA is elected from its six geographical regions. Each of the six regions has three seats on the Board with staggered 3-year terms. Candidates must be affiliated with an independent special district that is a CSDA regular member located within the geographic region that they seek to represent. (See attached Region Map)

The CSDA Board of Directors is the governing body responsible for all policy decisions related to CSDA's member services, legislative advocacy, education and resources. The Board of Directors is crucial to the operation of the Association and to the representation of the common interests of all California's special districts before the Legislature and the State Administration.

Commitment: Serving on the Board requires one's interest in the issues confronting special districts statewide. A board member is expected to attend all board meetings held every other month, usually on the second Friday of the month, at CSDA's office in Sacramento. Besides serving on the Board, each Board Member is expected to participate on at least one committee, which usually meets 3-4 times a year in Sacramento. CSDA reimburses directors for their related expenses for Board and Committee meetings as outlined in Board Policy. In addition, all Board Members are expected to attend CSDA's two annual events: Special Districts Legislative Days (held in the spring) and the Annual Conference (held in the fall) as part of their obligation to the CSDA membership; expenses for these two events are not reimbursed by CSDA, even if a board meeting or committee meeting is held in conjunction with the event.

**Nomination Procedures:** Any regular member Independent Special District is eligible to nominate one person, a board member or managerial employee (as

defined by that district's Board of Directors), for election to the CSDA Board of Directors. A copy of the member district's resolution or minute action must accompany the nomination. The deadline for receiving nominations is May 27, 2011. Nominations and supporting documentation may be mailed or faxed.

Nominees will receive a Candidate's Packet in the mail. The packet will include campaign guidelines.

CSDA will mail ballots on June 10<sup>th</sup>. The ballots must be received by CSDA no later than 5:00 p.m. August 5, 2011 and <u>must be the original ballot</u> (no faxes or e-mails). The successful candidates will be notified no later than August 9<sup>th</sup>. All selected Board Members will be introduced at the Annual Conference in Monterey, CA in October.
