Think your emergency go-bag is ready?
Bring it and find out.

Join El Cerrito/Kensington CERT for a fun, family-friendly evening of Go-Bag Bingo, preparedness show & tell, snacks, beverages, and blackout card raffle prize.

Bring your go-bag if you have one to play, or just come curious. We'll dig into what's actually useful during an evacuation, what people commonly forget, and what might be taking up valuable space for no good reason.

Have something strange, clever, oddly specific, or surprisingly useful in your emergency kit?
Bring it. We want to see it.

No go-bag? No problem.
No preparedness expertise required.

Bring your bag, your family, your neighbors,
and your questions.
