

RESOLUTION NO. 2026-01

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE KENSINGTON COMMUNITY SERVICES
DECLARING A 1992 MIGMO UTILITY TRAILER AS SURPLUS PROPERTY AND AUTHORIZING ITS
DISPOSAL**

WHEREAS, the Kensington Community Services District (“District”) is the registered owner of a 1992 MIGMO Utility Trailer, previously associated with the Kensington Community Services Department and registered at 217 Arlington Avenue, Kensington, California; and

WHEREAS, District staff has been unable to locate historical documentation identifying when or how the District acquired the trailer, and DMV records indicate no outstanding debts, liabilities, or registration issues associated with the asset; and

WHEREAS, the trailer had been stored behind a local business within the community for a number of years without use and was recently recovered during a comprehensive fleet inventory conducted by Police Department staff; and

WHEREAS, upon recovery and inspection at the Police Department facility located at 10940 San Pablo Avenue, El Cerrito, California, the trailer was found to be in disrepair, structurally compromised, and no longer roadworthy; and

WHEREAS, Command Staff determined that the cost necessary to repair, retrofit, and return the trailer to safe and functional service would far exceed its value or potential benefit to the District or community; and

WHEREAS, staff estimates the current value of the trailer to be less than \$1,000, and has determined that the asset serves no operational, public safety, or administrative need in its condition; and

WHEREAS, it is in the best interest of the District to declare the trailer surplus property and authorize its disposal in accordance with District policy and applicable state law.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Kensington Community Services District that:

1. The 1992 MIGMO Utility Trailer is hereby declared surplus property.
2. The General Manager and/or Police Chief is authorized to dispose of the trailer through liquidation, sale, or donation to another public agency or qualified nonprofit organization, in a manner consistent with District policies and in the best interest of the District.
3. The General Manager and/or Police Chief is further authorized to execute any documents necessary to complete the disposal of said surplus property.
