

Date: April 13, 2023
To: Board of Directors
From: David Aranda, Interim General Manager
Subject: Discussion and approval of a contract between Kensington Community Council and Kensington Police Protection Community Services District

Recommendation

It is hoped that an agreement can be reached between the KCC and KPPCSD in regard to a new contract between both parties. Director Hacaj will update the board verbally in regard to the pertinent information that developed at the KCC meeting Monday night.

Background

Director Hacaj has worked very hard with legal counsel and two KCC Board Members in obtaining a long overdue current, well written contract between the two entities in regard to park assets and the KCC usage of those assets for the wonderful programs they provide.

Hopefully, a draft contract will be sent to the Board and made available to the public no later than Wednesday morning. It is still undergoing some revisions and discussions with the KCC having their board meeting Monday, April 13, 2023.
